The number has been widely publicized through print, SMS, electronic and social media.</li> </ul>	<p>The outcomes are subject to provision of required manpower, timely receipt of proposals from states and availability and release of budget.</p>

- Online and offline organ donation pledging has been operationalized. About 10500 pledges have been registered.
- Sensitization of State Secretaries, DHS and other stakeholders was undertaken.
- Operational Guidelines for National Organ transplant Programme were released.
- Transplant Hospitals have been instructed for placing Display Boards outside the Intensive Care Units and at strategic locations in the hospital, mentioning that Law requires the doctor on duty / transplant coordinator /counsellor to make inquiry and request for organ donation from family members of brain stem dead persons. This is likely to result in more number of organ donations.
- Policy for Organ allocation in case of kidney has been finalized and approved. Draft Policy for Liver, Kidney and Cornea are placed in public domain for comments and suggestions
- Draft Standard Operative procedures for maintenance of Brain dead donors and retrieval of organs developed.

**Online system of registry and networking:**

- A dedicated website [www.notto.nic.in](http://www.notto.nic.in) has been launched for providing information on organ donation and transplantation, online registration of transplant and retrieval hospitals for networking and collection and compilation of data for National

registry.

- Online and offline pledging facility for organ and tissue donation is available.
- Process of online Networking of transplant Hospitals started in Delhi. The registration of most of the Transplant Hospitals in Delhi and NCR completed and of other States going on.
- So far 97 Hospitals have linked with NOTTO website.
- National Collection of Transplant data started through offline mode.

**Regional Networking centres**

- Regional level called Regional Organ and Tissue Transplant Organizations (ROTO) are being established in the States of Tamil Nadu, Maharashtra, Assam, West Bengal and UT of Chandigarh. Budget for four ROTOs (all 5 except West Bengal) has been sanctioned.
- Budget for IEC activities and training of transplant coordinators also sanctioned to ROTOs

**Awareness Activities:**

- Indian Organ Donation Day is being observed annually since 2010. This year it was observed on 27th November 2015. On this occasion, National Organ and Tissue Donation and

Transplant Registry (NOTTR) has been launched. In addition, felicitation of members of Donor families from different parts of the country was done and awards were given to the Best performing State in the area of Organ Donation and winners of national competition of slogan on organ donation.

- Organ Donation Publicity through print media, Display Boards, Frequently Asked Questions, Mobile SMSes, talks by experts etc. have been undertaken.
- Competitions on Slogan writing, Logo and Designing Donor card have been undertaken
- Other IEC Activities: Awareness sessions for staff of Ministry of Health, Movie making competition, Health Cricket Organ pledging stall, Exhibition, Poster competition have been undertaken by NOTTO.
- Process for development of IEC material in the form of AV spots started.

**Trainings:**

- Two programmes of Training of Transplant Coordinators have been conducted by NOTTO in July 2015 and March 2016.
- Technical committees of NOTTO functional.
- Post Doctoral certificate Course in dialysis medicine through IGNOU.

	<p><b>Financial assistance:</b></p> <ul style="list-style-type: none"> <li>• Financial assistance for hiring of transplant coordinators sanctioned for three Government Hospitals in Delhi.</li> </ul> <p><b>Legal Work related to Transplant</b></p> <ul style="list-style-type: none"> <li>• Registration (fresh and renewal) of Transplant Centers, Cornea Transplant Centers and Eye Banks for all Union Territories except Delhi are being done regularly and to hear appeals against decisions of Authorization Committee</li> </ul> <p><b>Coordination with trauma centers</b></p> <p>In coordination with Trauma Care programme, action has been initiated for developing trauma care centres as organ retrieval centers and proposals have been invited for financial assistance for provision of transplant coordinators in Trauma Care centres.</p> <p><b>Other outcomes</b></p> <ul style="list-style-type: none"> <li>• All activities as per THOA continued</li> <li>• IEC activities (Through NOTTO/ROTTTO/SOTTO)</li> <li>• Plan and/or Implementation of Activities of Networking with Delhi Hospitals</li> <li>• Intersectoral coordination for promotion of organ donation</li> <li>• Coordination with States for data and networking</li> </ul>
